ROBERT OGDEN, Plumber and Steam Fitter, No. 63 JEFERSON STREET, ABOVE THIRD, DAYTON, OHIO.

HAVING been a resident of this city but ashort time Mr. O would take this coassion of selecting one from among a score of letters he received from gentletisen for whom he did work in his former place of residence:

FORT WAYER, IRD., April 2018, 1808.

Having had occasion to use the services of a plumber, I was introdu ed to arr Ogden, a gentleman who had just arrived in our city. The jub that was to be some was very difficult, and required the aloest kind of mechaniam I am happy to add that the work was performed to my entire satisfaction, and as a master of his art, I take pleasure in recommending him to my fellow townsmen.

He would also take the privilege of giving one among several recommentations he has received aince site recidence here:

Mr Ogden has done considerable work in the plumbing line in my house, which is very satisfac-

If you think it deserves your patronage, I shallbe thankful for it, and it shall be thought for it, and it shall be thought to give you general satisfaction. Bo A good article of Copy

THE SECRET INFIRMITIES OF YOUTH & MATURITY Just published gratis, the 25th Thousand A PEW WORDS ON THE RA

BY B. Dz LANEY, M. D.

The important fact that the many shareding complaints originating in the imprudence and solitude of youth, may be easily removed without meniciple, in this small fract, clearly demonstrated; and the entirely new and highly successful treatment, as adopted by the Author. Intly explained, by means of which every one is enabled to cure size many prefertly, and at the least possible over size by avoiding all the advertised nostrums of the day. Sent to any address, gratis and post free in a sealed envelope, by remitting (post paid) two postage stamps to fir. B. De LANRY, is fast list et., New York City.

I have fully tested its merit in presence of all of our best Chemists, and many different. All pronounced to the under the many clinical and pronounced to the under the overy family as a usle and brilliant Light. It is used in the same Lamps as the common Fluid; and atthours a little more expensive in the manufacture, will be sood at a very slight advance over common Fluid.

Dr. W. STEWART, Bruggist, august W. S. Stain street, Dayton.
